To whom it may concern

This is to certify that **Mr. Rounak Raj** has successfully completed the project entitled “**Traffic Sign Data Annotation for Indian Roads**” under my supervision. He started the project from 01/10/2024 until 31/10/2024.

During this period, he demonstrated a high level of enthusiasm, self-discipline, and motivation. His commitment to the task and ability to work independently were commendable.

I wish him all the best in his future endeavors and continued success in his career.
